- Classes:
- CS 61A: Structure and Interpretation of Computer Programs
- CS 61B Data Structures
- EE 16A. Designing Information Devices and Systems I
- CS 161. Computer Security

EMPLOYMENT HISTORY
- **Intern, Zoom Video Communications Inc., June 2020-August 2020**
  As an accessibility intern at Zoom, I am in charge of making a manual for screen reader users. Here, I made manuals describing all major flows in Zoom's various clients across Windows, Mac, iOS, and Android.
- **Software Intern, Fayble Interactive Inc., June 2022-August 2022**
  As a software intern at Fayble, I was heavily involved in planning for the company's direction. During this time, the CEO of the company wanted me to do some research into the usability of Alexa and whether it was compatible with the platform. During this time, I made several basic Alexa Skills involving Lambda, JSON, and Node.JS and tested its integration with the various APIs used and reported my findings to upper management.
